Regarding CF# 07-004281

I know most of you who personally know me are in disbelief to hear from media reports that I am suspected of committing such horrendous murders and have taken drastic and shocking actions in the last couple of days. You are saying to yourself that this is completely out of character of the man you knew who always wore a smile wherever he was seen. I know I will be villified by the LAPD and the media. Unfortunately, this is a necessary evil that I do not enjoy but must partake and complete for substantial change to occur within the LAPD and reclaim my name. The department has not changed since the Rampart and Rodney King days. It has gotten worse. The consent decree should never have been lifted. The only thing that has evolved from the consent decree is those officers involved in the Rampart scandal and Rodney King incidents have since promoted to supervisor, commanders, and command staff, and executive positions.

The question is, what would you do to clear your name?

Name;

A word or set of words by which a person, animal, place, or thing is known, addressed, or referred to.

Name Synonyms;

reputation, title, appellation, denomination, repute.

A name is more than just a noun, verb, or adjective. It's your life, your legacy, your journey, sacrifices, and everything you've worked hard for every day of your life as an adolescent, young adult and adult. Don't let anybody tarnish it when you know you've live up to your own set of ethics and personal ethos.

In 8/07 I reported an officer (Ofcr. Teresa Evans/now a Sergeant), for kicking a suspect (excessive force) during a Use of Force while I was assigned as a patrol officer at LAPD's Harbor Division. While cuffing the suspect, (Christopher Gettler), Evans kicked the suspect twice in the chest and once in the face. The kick to the face left a visible injury on the left cheek below the eye. Unfortunately after reporting it to supervisors and investigated by PSB (internal affairs investigator Det. Villanueva/Gallegos), nothing was done. I had broken their supposed "Blue Line". Unfortunately, It's not JUST US, it's JUSTICE!!! In fact, 10 months later on 6/25/08, after already successfully completing probation, acquiring a basic Post Certificate, and Intermediate Post Certificate, I was relieved of duty by the LAPD while assigned to patrol at Southwest division. It is clear as day that the department retaliated toward me for reporting Evans for kicking Mr. Christopher Gettler. The department stated that I had lied and made up the report that

Evans had kicked the suspect. I later went to a Board of Rights (department hearing for decision of continued employment) from 10/08 to 1/09. During this BOR hearing a video was played for the BOR panel where Christopher Gettler stated that he was indeed kicked by Officer Evans (video sent to multiple news agencies). In addition to Christopher Gettler stating he was kicked, his father Richard Gettler, also stated that his son had stated he was kicked by an officer when he was arrested after being released from custody. This was all presented for the department at the BOR hearing. They still found me guilty and terminated me. What they didn't mention was that the BOR panel made up of Capt. Phil Tingirides, Capt. Justin Eisenberg, and City Attorney Martella had a significant problem from the time the board was assembled. Capt. Phil Tingirides was a personal friend of Teresa Evans from when he was her supervisor at Harbor station. That is a clear conflict of interest and I made my argument for his removal early and was denied. The advocate for the LAPD BOR was Sgt. Anderson. Anderson also had a conflict of interest as she was Evans friend and former partner from Harbor division where they both worked patrol together. I made my argument for her removal when I discovered her relation to Evans and it was denied.

During the BOR, the department attempted to label me unsuccessfully as a bully. They stated that I had bullied a recruit, Abraham Schefres, in the academy when in reality and unfounded disposition from the official 1.28 formal complaint investigation found that I was the one who stood up for Abraham Schefres when other recruits sang nazi hitler youth songs about burning Jewish ghettos in WWII Germany where his father was a survivor of a concentration camp. How fucking dare you attempt to label me with such a nasty vile word. I ask that all earnest journalist investigating this story ask Ofcr. Abraham Schefres about the incident when Ofcr. Burdios began singing a nazi youth song about burning jewish ghettos.

The internal affairs investigation in the academy involving Schefres was spurned by a complaint that I had initiated toward two fellow recruit/officers. While on a assigned patrol footbeat in Hollywood Division, Officers Hermilio Burdios IV and Marlon Magana (both current LAPD officers) decided that they would voice their personal feelings about the black community. While traveling back to the station in a 12 passenger van I heard Magana refer to another individual as a nigger. I wasn't sure if I heard correctly as there were many conversations in the van that was compiled of at least 8 officers and he was sitting in the very rear and me in the very front. Even with the multiple conversations and ambient noise I heard Officer Magana call an individual a nigger again. Now that I had confirmed it, I told Magana not to use that word again. I explained that it was a well known offensive word that should not be used by anyone. He replied, "I'll say it when I want". Officer Burdios, a friend of his, also stated that he would say nigger when he wanted. At that point I jumped over my front passenger seat and two other officers where I placed my hands around Burdios' neck and squeezed. I stated to Burdios, "Don't fucking say that". At that point there was pushing and shoving and we were separated by several other officers. What I should have done, was put a Winchester Ranger SXT 9mm 147 grain bullet in his skull and Officer Magana's skull. The Situation would have been resolved effective, immediately. The sad thing about this incident was that when Detective Ty from internal affairs investigated this incident only

(1) officer (unknown) in the van other than myself had statements consistent with what actually happened. The other six officers (John Carey, Gary Parker, Jacob Waks, Abraham Schefres and names I have forgotten) all stated they heard nothing and saw nothing. Shame on every one of you. Shame on Detective Ty (same ethnicity as Burdios) for creating a separate 1.28 formal complaint against me (Schefres complaint) in retaliation for initiating the complaint against Burdios and Magana. Don't retaliate against honest officers for breaking your so called blue line. I hope your son Ryan Ty, who I knew, is a better officer than you, Detective Ty. The saddest part of this ordeal was that Officer Burdios and Magana were only given 22 day suspensions and are still LAPD officers to this day. That day, the LAPD stated that it is acceptable for fellow officers to call black officers niggers to their face and you will receive a slap on the wrist. Even sadder is that during that 22 day suspension Burdios and Magana received is that the LAPPL (Los Angeles Police Protective League) paid the officers their salaries while they were suspended. When I took a two day suspension for an accidental discharge, I took my suspension and never applied for a league salary. Its called integrity.

Journalist, I want you to investigate every location I resided in growing up. Find any incidents where I was ever accused of being a bully. You won't, because it doesn't exist. It's not in my DNA. Never was. I was the only black kid in each of my elementary school classes from first grade to seventh grade in junior high and any instances where I was disciplined for fighting was in response to fellow students provoking common childhood schoolyard fights, or calling me a nigger or other derogatory racial names. I grew up in neighborhoods where blacks make up less than 1%. My first recollection of racism was in the first grade at Norwalk Christian elementary school in Norwalk, CA. A fellow student, Jim Armstrong if I can recall, called me a nigger on the playground. My response was swift and non-lethal. I struck him fast and hard with a punch and kick. He cried and reported it to a teacher. The teacher reported it to the principal. The principal swatted Jim for using a derogatory word toward me. He then for some unknown reason swatted me for striking Jim in response to him calling me a nigger. He stated as good Christians we are to turn the other cheek as Jesus did. Problem is, I'm not a fucking Christian and that old book, made of fiction and limited non-fiction, called the bible, never once stated Jesus was called a nigger. How dare you swat me for standing up for my rights for demanding that I be treated as a equal human being. That day I made a life decision that I will not tolerate racial derogatory terms spoken to me. Unfortunately I was swatted multiple times for the same exact reason up until junior high. Terminating me for telling the truth of a caucasian officer kicking a mentally ill man is disgusting. Don't ever call me a fucking bully. I want all journalist to utilize every source you have that specializes in collections for your reports. With the discovery and evidence available you will see the truth. Unfortunately, I will not be alive to see my name cleared. That's what this is about, my name. A man is nothing without his name. Below is a list of locations where I resided from childhood to adulthood.

Cerritos, CA.

Pico Rivera, CA.

La Palma, CA.

Thousand Oaks, CA.

Cedar City, UT.
Pensacola, FL.
Enid, OK.
Yorba Linda, CA.
Las Vegas, NV.

During the BOR an officer named, Sgt. Hernandez, from Los Angeles Port Police testified on behalf of the LAPD. Hernandez stated for the BOR that he arrived at the location of the UOF shortly before I cuffed the suspect. He also stated that he assisted in cuffing the suspect and that's old the BOR he told me to fix my tie. All of those statements were LIES!!! Hernandez, you arrived at the UOF location up to 30 seconds after I had cuffed Mr. Gettler. All you did was help me lift the suspect to his feet as it was difficult for me to do by myself because of his heavy weight. You did not tell me to fix my tie as the BOR members and everyone else in the room know you lied because the photographic evidence from the UOF scene where Gettler's injuries were photographed clearly shows me wearing a class B uniform on that day. A class B uniform is a short sleeved uniform blouse. A short sleeved uniform blouse for the LAPD does not have a tie included. This is not Super Troopers uniform, you jackass. Why did you feel the need to embellish and lie about your involvement in the UOF? Are you ashamed that you could not get hired on by any other department other than port police? Do you have delusions of grandeur? What you did was perjury, exactly what Evans did when she stated she did not kick Christopher Gettler.

What they failed to mention in the BOR was Teresa Evans own use of force history during her career on the LAPD. She has admitted that she has a lengthy use of force record and has been flagged several times by risk management. She has a very well known nickname, Chupacabra, which she was very proud to flaunt around the division. She found it very funny and entertaining to draw blood from suspects and arrestees. At one point she even intentionally ripped the flesh off the arm of a woman we had arrested for battery (sprayed her neighbor with a garden water hose). Knowing the woman had thin elastic skin, she performed an Indian burn to the woman's arm after cuffing her. That woman was in her mid-70's, a mother and grandmother, and was angry at her tenants who failed to pay rent on time. Something I can completely understand and I am sure many have wanted to do toward tenants who do not pay their rent. Teresa Evans was also demoted from a senior lead officer rank/position for performance issues. During my two months of working patrol with Teresa Evans, I found her as a woman who was very angry that she had been pulled from patrol for a short time because of a domestic violence report made by Long Beach Police Department because of an incident involving her active LAPD officer boyfriend, Dominick Fuentes, and herself. Dominick Fuentes is the same officer investigated for witness tampering. She also was visibly angry on a daily basis that she was going to have to file for bankruptcy because her ex-husband, a former LAPD officer and not Dominick Fuentes, who had left the department, state, and was nowhere to be found had left her with a tax bill and debt that she was unable to pay because of a lack of financial means. Evans, you are a POS and you lied right to the BOR panel when Randy Quan asked you if you kicked Christopher Gettler. You destroyed my

life and name because of your actions. Time is up. The time is now to confess to Chief Beck.

I ask that all journalist investigating this story submit request for FOIA with the LAPD to gain access to the BOR transcripts which occurred from 10/08 to 2/09. There, you will see that a video was played for the BOR members of Mr. Christopher Gettler who suffers from Schizophrenia and Dementia stating that he was kicked by a female officer. That video evidence supports my claim that Evans kicked him twice in the upper body and once in the face. I would like all journalist to also request copies of all reports that I had written while employed by LAPD. Whether in the academy, or during my 3 years as a police officer. There are DR#'s attached to each report (investigative report) that I have ever written so they all exist. A FOIA request will most likely be needed to access these at Parker center or at the Personnel/Records. Judge my writin/grammar skills for yourself. The department attempted to paint me as an officer who could not write reports. Even though Sgt. Joel Sydanmaa a training officer who trained me stated for the BOR panel that there was nothing wrong with my report writing and that I was better than all rookie/probationer officers he has ever trained. Officer David Drew stated the same but refused to testify as he did not want to "get involved" with the BOR's. Contact Sgt. Donald Deming ,(now a Captain at Lompoc PD), Sgt. Thaddeus Faulk, and Sgt. Ed Clark. All will state that my report writing was impeccable. I will tell you this, I always type my reports because I have messy handwriting/penmanship. I never had a single kickback/redlined report at Southwest division and Sgt. Faulk and Sgt. Clark can testify to that. I never received an UNSATISFACTORY on any day or week. The same can be said within the U.S. Naval Reserves. All commanders will state that my report writing was always clear, concise, and impeccable. Even search my AAR (after action reports),chits, Memorandum's, IIR's (Intelligence Information Reports) which were written in the Navy. All were pristine.

I had worked patrol at LAPD's Harbor Division from 2/06 until 7/06 when I was involuntarily recalled back to active duty (US Navy) for a 12 month mobilization/deployment to Centcom in support of OIF/OEF. I returned back to LAPD's Harbor division on 7/07 and immediately returned to patrol. I worked at Harbor division until 11/07 where I then transferred to Southwest Division. I worked At Southwest division until 6/25/08 when I was relieved of duty.

I have exhausted all available means at obtaining my name back. I have attempted all legal court efforts within appeals at the Superior Courts and California Appellate courts. This is my last resort. The LAPD has suppressed the truth and it has now lead to deadly consequences. The LAPD's actions have cost me my law enforcement career that began on 2/7/05 and ended on 1/2/09. They cost me my Naval career which started on 4/02 and ends on 2/13. I had a TS/SCI clearance(Top Secret Sensitive Compartmentalized Information clearance) up until shortly after my termination with LAPD. This is the highest clearance a service member can attain other than a Yankee White TS/SCI which is only granted for those working with and around the President/Vice President of the United States. I lost my position as a Commanding Officer of a Naval Security Forces reserve unit at NAS Fallon because of the LAPD. I've lost a relationship with my mother

and sister because of the LAPD. I've lost a relationship with close friends because of the LAPD. In essence, I've lost everything because the LAPD took my name and now I was INNOCENT!!! Capt Phil Tingirides, Justin Eisenberg, Martella, Randy Quan, and Sgt. Anderson all new I was innocent but decided to terminate me so they could continue Ofcr. Teresa Evans career. I know about the meeting between all of you where Evans attorney, Rico, confessed that she kicked Christopher Gettler (excessive force). Your day has come.

I'm not an aspiring rapper, I'm not a gang member, I'm not a dope dealer, I don't have multiple babies momma's. I am an American by choice, I am a son, I am a brother, I am a military service member, I am a man who has lost complete faith in the system, when the system betrayed, slandered, and libeled me. I lived a good life and though not a religious man I always stuck to my own personal code of ethics, ethos and always stuck to my shoreline and true North. I didn't need the US Navy to instill Honor, Courage, and Commitment in me but I thank them for re-enforcing it. It's in my DNA.

Luckily I don't have to live everyday like most of you. Concerned if the misconduct you were apart of is going to be discovered. Looking over your shoulder, scurrying at every phone call from internal affairs or from the Captains office wondering if that is the day PSB comes after you for the suspects you struck when they were cuffed months/years ago or that \$500 you pocketed from the narcotics dealer, or when the other guys on your watch beat a transient nearly to death and you never reported the UOF to the supervisor. No, I don't have that concern, I stood up for what was right but unfortunately have dealt with the repercussions of doing the right thing and now losing my name and everything I ever stood for. You fuckers knew Evans was guilty of kicking (excessive force) Gettler and you did nothing but get rid of what you saw as the problem, the whistleblower. Gettler himself stated on video tape (provided for the BOR and in transcripts) he was kicked and even his father stated that his son said he was kicked by Evans when he was released from custody. The video was played for the entire BOR to hear. Tingirides, Eisenberg, and Martella all heard it. You're going to see what a whistleblower can do when you take everything from him especially his NAME!!!

Look what you did to Sgt. Gavin (now lieutenant) when he exposed the truth of your lying, racism, and PSB cover-ups to frame and convict an innocent man. You can not police yourselves and the consent decree was unsuccessful. Sgt. Gavin, I met you on the range several times as a recruit and as an officer. You're a good man and I saw it in your eyes an actions.

Self Preservation is no longer important to me. I do not fear death as I died long ago on 1/2/09. I was told by my mother that sometimes bad things happen to good people. I refuse to accept that.

From 2/05 to 1/09 I saw some of the most vile things humans can inflict on others as a police officer in Los Angeles. Unfortunately, it wasn't in the streets of LA. It was in the confounds of LAPD police stations and shops (cruisers). The enemy combatants in LA are not the citizens and suspects, it's the police officers.

People who live in glass houses should not throw stones. How ironic that you utilize a fixed glass structure as your command HQ. You use as a luminous building to symbolize that you are transparent, have nothing to hide, or suppress when in essence, concealing, omitting, and obscuring is your forte.

Chief Beck, this is when you need to have that come to Jesus talk with Sgt. Teresa Evans and everyone else who was involved in the conspiracy to have me terminated for doing the right thing. you also need to speak with her attorney, Rico, and his conversation with the BOR members and her confession of guilt in kicking Mr. Gettler. I'll be waiting for a PUBLIC response at a press conference. When the truth comes out, the killing stops.

Why didn't you charge me with filing a false police report when I came forward stating that Evans kicked Mr. Christopher Gettler? You file criminal charges against every other officer who is accused and terminated for filing a false police report. You didn't because you knew I was innocent and a criminal court would find me innocent and expose your department for suppressing the truth and retaliation, that's why.

The attacks will stop when the department states the truth about my innocence, PUBLICLY!!! I will not accept any type of currency/goods in exchange for the attacks to stop, nor do i want it. I want my name back, period. There is no negotiation. I am not the state department who states they do not negotiate with terrorist, because anybody with a Secret or TS/SCI has seen IIR's on SIPR and knows that the US state department always negotiates by using CF countries or independent sovereign/neutral country to mediate and compromising.

This department has not changed from the Daryl Gates and Mark Fuhrman days. Those officers are still employed and have all promoted to Command staff and supervisory positions. I will correct this error. Are you aware that an officer (a rookie/probationer at the time) seen on the Rodney King videotape striking Mr. King multiple times with a baton on 3/3/91 is still employed by the LAPD and is now a Captain on the police department? Captain Rolando Solano is now the commanding officer of a LAPD police station (West LA division). As a commanding officer, he is now responsible for over 200 officers. Do you trust him to enforce department policy and investigate use of force investigations on arrestees by his officers? Are you aware Evans has since promoted to Sergeant after kicking Mr. Gettler in the face. Oh, you Violated a citizens civil rights? We will promote you. Same as LAPD did with the the officers from Metro involved in the May Day melee at MacArthur Park. They promoted them to Sergeant (a supervisor role).

No one is saying you can't be prejudiced or a bigot. We are all human and hold prejudices. If you state that you don't have prejudices, your lying! But, when you act on it and victimize innocent citizens and fellow innocen officers, than that is a concern.

For you officers who do the job in the name of JUSTICE, those of you who lost honest officers to this event, look at the name of those on the BOR and the investigating officers

from PSB and Evans and ask them, how come you couldn't tell the truth? Why did you terminate an honest officer and cover for a dishonest officer who victimized a mentally ill citizen.

Sometimes humans feel a need to prove they are the dominant race of a species and they inadvertently take kindness for weakness from another individual. You chose wrong.

Terminating officers because they expose a culture of lying, racism (from the academy), and excessive use of force will immediately change. PSB can not police their own and that has been proven. The blue line will forever be severed and a cultural change will be implanted. You have awoken a sleeping giant.

I am here to change and make policy. The culture of LAPD versus the community and honest/good officers needs to and will change. I am here to correct and calibrate your morale compasses to true north.

Those Caucasian officers who join South Bureau divisions (77th, SW, SE, an Harbor) with the sole intent to victimize minorities who are uneducated, and unaware of criminal law, civil law, and civil rights. You prefer the South bureau because a use of force/deadly force is likely and the individual you use UOF on will likely not report it. You are a high value target.

Those Black officers in supervisory ranks and pay grades who stay in south bureau (even though you live in the valley or OC) for the sole intent of getting retribution toward subordinate caucasians officers for the pain and hostile work environment their elders inflicted on you as probationers (P-1's) and novice P-2's. You are a high value target. You perpetuated the cycle of racism in the department as well. You breed a new generation of bigoted caucasian officer when you belittle them and treat them unfairly.

Those Hispanic officers who victimize their own ethnicity because they are new immigrants to this country and are unaware of their civil rights. You call them wetbacks to their face and demean them in front of fellow officers of different ethnicities so that you will receive some sort of acceptance from your colleagues. I'm not impressed. Most likely, your parents or grandparents were immigrants at one time, but you have forgotten that. You are a high value target.

Those lesbian officers in supervising positions who go to work, day in day out, with the sole intent of attempting to prove your misandrist authority (not feminism) to degrade male officers. You are a high value target.

Those Asian officers who stand by and observe everything I previously mentioned other officers participate in on a daily basis but you say nothing, stand for nothing and protect nothing. Why? Because of your usual saying, "I.....don't like conflict". You are a high value target as well.

Those of you who “go along to get along” have no backbone and destroy the foundation of courage. You are the enablers of those who are guilty of misconduct. You are just as guilty as those who break the code of ethics and oath you swore.

Citizens/non-combatants, do not render medical aid to downed officers/enemy combatants. They would not do the same for you. They will let you bleed out just so they can brag to other officers that they had a 187 caper the other day and can't wait to accrue the overtime in future court subpoenas. As they always say, “that's the paramedics job...not mine”. Let the balance of loss of life take place. Sometimes a reset needs to occur.

It is endless the amount of times per week officers arrest an individual, label him a suspect-arrestee-defendant and then before arraignment or trial realize that he is innocent based on evidence. You know what they say when they realize an innocent man just had his life turned upside down?. “I guess he should have stayed at home that day he was discovered walking down the street and matching the suspects description. Oh well, he appeared to be a dirtbag anyways”. Meanwhile the falsely accused is left to pick up his life, get a new, family, friends, and sense of self worth.

Don't honor these fallen officers/dirtbags. When your family members die, they just see you as extra overtime at a crime scene and at a perimeter. Why would you value their lives when they clearly don't value yours or your family members lives? I've heard many officers who state they see dead victims as ATV's, Waverunners, RV's and new clothes for their kids. Why would you shed a tear for them when they in return crack a smile for your loss because of the impending extra money they will receive in their next paycheck for sitting at your loved ones crime scene of 6 hours because of the overtime they will accrue. They take photos of your loved ones recently deceased bodies with their cellphones and play a game of who has the most graphic dead body of the night with officers from other divisions. This isn't just the 20 something year old officers, this is the 50 year old officers with significant time on the job as well who participate.

You allow an officer, Thaniya Sungruenyos, to attempt to hack into my credit union account and still remain on the job even when Det. Zolezzi shows the evidence that the IP address (provided by LAPFCU) that attempted to hack into my account and change my username and password leads directly to her residence. You even allow this visibly disgusting looking officer to stay on the job when she perjures (lies) in court (Clark County Family Court) to the judge's face and denies hacking into my personal credit union online account when I attempted to get my restraint order extended. Det. Zolezzi provided the evidence and you still do nothing.

How do you know when a police officer is lying??? When he begins his sentence with, “based on my experience and training”.

No one grows up and wants to be a cop killer. It was against everything I've ever was. As a young police explorer I found my calling in life. But, As a young police officer I found that the violent suspects on the street are not the only people you have to watch. It is the

officer who was hired on to the department (pre-2000) before polygraphs were standard for all new hires and an substantial vetting in a background investigation.

To those children of the officers who are eradicated, your parent was not the individual you thought they were. As you get older, you will see the evidence that your parent was a tyrant who loss their ethos and instead followed the path of moral corruptness. They conspired to hide and suppress the truth of misconduct on others behalf's. Your parent will have a name and plaque on the fallen officers memorial in D.C. But, In all honesty, your parents name will be a reminder to other officers to maintain the oath they swore and to stay along the shoreline that has guided them from childhood to that of a local, state, or federal law enforcement officer.

Bratton, Beck, Hayes, Tingirides, Eisenberg, Martella, Quan, Evans, Hernandez, Villanueva/Gallegos, and Anderson. Your lack of ethics and conspiring to wrong a just individual are over.

Suppressing the truth will leave to deadly consequences for you and your family. There will be an element of surprise where you work, live, eat, and sleep. I will utilize ISR at your home, workplace, and all locations in between. I will utilize OSINT to discover your residences, spouses workplaces, and children's schools. IMINT to coordinate and plan attacks on your fixed locations. Its amazing whats on NIPR. HUMINT will be utilized to collect personal schedules of targets. I never had the opportunity to have a family of my own, I'm terminating yours. Quan, Anderson, Evans, and BOR members Look your wives/husbands and surviving children directly in the face and tell them the truth as to why your children are dead.

Never allow a LAPPL union attorney to be a retired LAPD Captain,(Quan). He doesn't work for you, your interest, or your name. He works for the department, period. His job is to protect the department from civil lawsuits being filed and their best interest which is the almighty dollar. His loyalty is to the department, not his client. Even when he knowingly knows your innocent and the BOR also knows your innocent after Christopher Gettler stated on videotape that he was kicked and Evans attorney confessed to the BOR off the record that she kicked Gettler.

The tree of liberty must be refreshed from time to time with the blood of patriots and tyrants-TJ. This quote is not directed toward the US government which I fully support 100%. This is toward the LAPD who can not monitor itself. The consent decree should not have been lifted, ever.

I know your TTP's, (techniques, tactics, and procedures). Any threat assessments you generate will be useless. This is simple, I know your TTP's and PPR's. I will mitigate any of your attempts at preservation. ORM is my friend. I will mitigate all risks, threats and hazards. I assure you that Incident Command Posts will be target rich environments. KMA-367 license plate frames are great target indicators and make target selection even easier.

I will conduct DA operations to destroy, exploit and seize designated targets. If unsuccessful or unable to meet objectives in these initial small scale offensive actions, I will reassess my BDA and re-attack until objectives are met. I have nothing to lose. My personal casualty means nothing. Just alike AAF's, ACM's, and AIF's, you can not prevail against an enemy combatant who has no fear of death. An enemy who embraces death is a lose, lose situation for their enemy combatants.

Hopefully you analyst have done your homework. You are aware that I have always been the top shot, highest score, an expert in rifle qualifications in every unit I've been in. I will utilize every bit of small arms training, demolition, ordnance, and survival training I've been given.

Do you know why we are unsuccessful in asymmetrical and guerrilla warfare in CENTCOM theatre of operations? I'll tell you. It's not the inefficiency of our combatant commanders, planning, readiness or training of troops. Much like the Vietnam war, ACM, AAF, foreign fighters, Jihadist, and JAM have nothing to lose. They embrace death as it is a way of life. I simply don't fear it. I am the walking exigent circumstance you created.

The Violence of action will be HIGH. I am the reason TAC alert was established. I will bring unconventional and asymmetrical warfare to those in LAPD uniform whether on or off duty. ISR is my strength and your weakness. You will now live the life of the prey. Your RD's and homes away from work will be my AO and battle space. I will utilize every tool within INT collections that I learned from NMITC in Dam Neck. You have misjudged a sleeping giant. There is no conventional threat assessment for me. JAM, New Ba'ath party, 1920 rev BGE, ACM, AAF, AQAP, AQIM and AQIZ have nothing on me. Do not deploy airships or gunships. SA-7 Manpads will be waiting. As you know I also own Barrett .50's so your APC are defunct and futile.

You better have all your officers radio/phone muster (code 1) on or off duty every hour, on the hour.

Do not attempt to shadow or conduct any type of ISR on me. I have the inventory listing of all UC vehicles at Piper Tech and the home addresses of any INT analyst at JRIC and detachment locations. My POA is always POI and always true. This will be a war of attrition and a Pyrrhic and Camdean Victory for myself. You may have the resources and manpower but you are reactive and predictable in your op plans and TTP's. I have the strength and benefits of being unpredictable, unconventional, and unforgiving. Do not waste your time with briefs and tabletops.
